Holiday Car Giveaway Nomination Form

IF you know of a family driving around in a vehicle on its last wheels, a new ride can be life-changing, especially if they are struggling just to make ends meet. If you know an incredible family or individual who needs a better ride, let us know. Tell us about the impact a new vehicle would have on their life and why they are deserving. What impact on our community has your nominee made?
REMEMBER: we would like this to be a surprise to the nominated family.
